- Provide a copy of your W9.
- Provide proof that you, instructors, and/or any of your employees who interact with participants in this program have successfully passed a CORI background check within the last 12 months. If not, you may complete a CORI at our Department which will be processed through the Town of Billerica.
- Provide proof that you/all your employees who interact with participants in this program are currently first aid, CPR, and AED certified. You must also provide a first aid kit at your program.
- Provide class/program descriptions to be included in our marketing materials and on our website for registration purposes.

- Instructors are expected to arrive with ample time before their class begins to set up materials and equipment and take attendance without cutting into class time.
- Instructors are not permitted to allow people who are not yet registered for their class or program to actively participate until they have done so online or at the Recreation Office.

### **Responsibilities of the Billerica Recreation Department**

- BRD will promote all classes and programs through print materials, online via social media, and on our registration website.
- All registrations and payments will occur through the Recreation Department, either over the phone, in person during office hours or online through our MyRec website.
- BRD will provide the instructor with a roster for the purpose of taking attendance and for having emergency contact information for participants. This information will be provided for emergency use only and should not be saved or used for other non-emergency uses.
- BRD will communicate with registered participants regarding changes and cancellations via email or phone at least 48 hours prior to the beginning of the program.
- BRD will process invoices from the vendor and checks/deposits will be from the Town of Billerica. Please allow for a two-week turnaround for payments to be processed.
- If your program occurs after office hours, we will provide instructions on how to access and properly vacate the facility.
- If the class or program does not meet the minimum requirement at least 48 hours prior to the first date, we reserve the right to cancel the program without consequence.
